Summary

Aspiring Full Stack Developer with hands-on experience in building responsive web applications using React.js, Node.js, Express.js, and MongoDB. Strong problem-solving abilities and a passion for developing high-quality software solutions. Eager to contribute to dynamic development teams and gain industry experience.

Skills

Programming Languages: Java, JavaScript

Web Technologies: JavaScript, React.js, Node.js, Express.js

Databases: Firebase, MongoDB, SQL Server (basics)

Tools & Technologies: Git, GitHub, VS Code, Postman,

Other Skills: Data Structures & Algorithms, Problem Solving, OOPs, RESTful APIs, Debugging

Experience

Tech Solutions (Remote)

Tools Used: JavaScript, React.js, Node.js, MongoDB

- Developed and maintained web applications using JavaScript, React.js, Node.js, and MongoDB.
- Built reusable components and implemented responsive UI/UX with a focus on performance.
- Integrated RESTful APIs and worked with databases to manage and fetch data.
- Collaborated with the development team to fix bugs, optimize performance, and deliver features on time.

Projects

Portfolio Website | *JavaScript React.js*

- Created a professional portfolio website using React.js to highlight projects, technical expertise, and career achievements.
- Developed reusable UI components and responsive layouts ensuring compatibility across multiple devices.
- Deployed and maintained the website with a focus on performance, accessibility, and clean user interface design.

Vehicle Rental Web Application | *React, Node.js, Express.js, MongoDB*

- Built a MERN-stack Vehicle Rental Platform with vehicle listing, booking management, and customer record functionalities.
- Developed scalable backend APIs and integrated MongoDB for secure and efficient data management.
- Enhanced user experience through responsive design and streamlined booking workflows.

Certifications

- Participated in a competitive hackathons, collaborating with a team to design and develop an innovative technology solution within a constrained timeframe..

Education

B.Tech. Information Technology

Bharati Vidhyapeeth (Deemed to be University), Navi Mumbai

Present

CGPA: 9.0 / 10
